Lace Making Teacher Defends Herself Before School Board

The Board of Education met yesterday at 3:30 p. m. for the first time since the adoption of the new time for holding meetings. Present were Superintendent Davis and Commissioners Mrs. Wilcox, W. R. Farrington and David Al.

The Kona Orphanage and Hilo High School Committee reported that Mr. Richmond had been recommended to be appointed principal of the Hilo High School at a salary of \$175 a month. Forty dollars a month for each of three teachers of the Kona Orphanage was appropriated. The report was adopted.

The Committee on Teachers reported that at a recent meeting it had decided to grant Cate Phillips a life certificate.

"Charges preferred by C. E. Copeland, principal of Wailuku school, against Mrs. S. B. Harry were read. Voted that a copy of the charges made by Principal Copeland be sent to Mrs. Harry for a statement of her side of the case. Inspector Wells in discussing the matter, indicated that Mrs. Copeland and Mr. Harry figured in the affair. Mrs. Copeland refused to speak to Mrs. Harry, though a teacher in the school, and Mr. Harry objected to having his wife transferred."

The charges against B. K. Kawaiwa had been considered and he had been transferred to the Haou school in the interest of harmony.

The charges against Miss Mudge had been read, and it had been voted that the charges were unjust to the extent of being malicious, and constituted no reason for her removal.

Mr. Storm's resignation from the Honokohau school has been accepted. Christian Conrad's resignation as Secretary had been accepted and Mr. Cox appointed in his place. Life diplomas were granted Miss Mudge and M. J. Ticer. Life certificates were granted Miss Carrie Gordon and Z. McKeague. Mrs. C. E. King's application for a life certificate was deferred.

Mrs. Brunson, a lace teacher who had been dropped, was given an oral hearing. She stated that she was not satisfied with the reasons for the dismissal. She wanted to know in which respect her work had not been satisfactory.

Superintendent Davis asked Mrs. Brunson to say all she had to say, after which the objections would be formulated.

Mrs. Brunson said she wanted to see the objections first, so that she could answer them.

Superintendent Davis said that he understood she wished to state her side of the case, which she could now do.

Mrs. Brunson, at the Superintendent's request, produced a letter from himself in which he stated that as two young Hawaiians would be appointed as lace teachers, her services would no longer be required. She also read a letter from Miss Adams, asking her to come to the Islands to teach. Superintendent Atkinson had engaged her under a contract which was not worth the paper it was written on.

Mrs. Brunson said she had heard that her work was not satisfactory. She wanted to know what this charge was based on.

Superintendent Davis said the matter was in the hands of the Lace Committee, only one member of which was present.

Mrs. Brunson said she had asked for a hearing before the Board. The other member of the committee had never seen her work. Mrs. Brunson thought her judges should be competent to judge. She was willing to submit her work to a competent committee.

Superintendent Davis said for this reason the matter had been referred to the Lace Committee.

W. R. Farrington asked from what source Mrs. Brunson found her work was not satisfactory.

Mrs. Brunson said Mrs. Wilcox had made the objections. She wanted Mrs. Wilcox to make her objections now.

Mrs. Wilcox said she had already stated to Mrs. Brunson what her objections were.

Mr. Al asked what the objections were.

Mrs. Wilcox said the lace making should be taught after school, which Mrs. Brunson refused to do. The girls could not afford to take the time from the regular school time.

Mrs. Brunson had not taught sufficiently long hours. Royal School girls had complained that they were not taught during a period of three weeks, as they had to do other work. Mrs. Wilcox had, being then not a member of the Board, asked Mrs. Brunson to teach at the Kaulani School instead, but she refused to do so. Mrs. Wilcox had said that Mrs. Brunson's place would be taken by two Hawaiian girls as soon as they were fitted to take up the work.

The work had not been done as it should have been done. Mrs. Brunson was very capable. Her skill was great.

Superintendent Davis said the charges could be summed up as lack of interest.

Mrs. Brunson said that she could not help that her class hours were cut in two. Her teaching in the Kaulani school depended on the Board, whose orders she had obeyed. She had taught all the classes which came to her. She had during the class hours gone home for a few minutes on account of illness, but the work had not suffered. The results showed that the work was satisfactory. Great interest had been shown by the pupils. The work could only be successful in rooms fitted especially for the purpose. For this reason it was of little use to go to other schools. She utterly denied that she had not taught after hours. She had taught to 3:15 p. m. every day and Mrs. Wilcox knew it. Mrs. Brunson referred to the exhibit made at the Young Hotel, which had highly pleased the Legislature. One had said to Mrs. Brunson that it was tacitly understood that the ap-

proportion was for her to carry on the work. She thought that a suitable letter of recommendation should be given her.

At this point Mrs. Brunson left. W. R. Farrington thought the matter should well come before the full Board. He thought a recommendation was what she wanted.

Mrs. Wilcox said she did not think so. Mrs. Brunson did not make the girls work.

CHANGE IN TEACHERS

BOARD OF EDUCATION ASSIGNS INSTRUCTORS

MANY LEAVES OF ABSENCE. TRANSFERS AND RESIGNATIONS MAKE CHANGES NECESSARY.

The following changes in the teaching force were made at yesterday afternoon's meeting of the Board of Education:

Mr. B. Kawaiwa (Life Ctf.), Haou, vice Mr. F. P. Rosecrans, transferred.

Miss M. Sturied (Cal. Life), Haou, vice B. K. Kawaiwa, transferred.

Mr. F. P. Rosecrans (Oberlin College), Pauene, additional teacher.

Mrs. Rosecrans, Pauene, transferred.

HERE IN HONOLULU

Bright's Disease, supposed to be incurable, is being cured here as well as elsewhere by Fulton's Compound. Here is a recovery reported by one of the customers of the Honolulu Drug Co., our agents in Honolulu:

Honolulu, H. T., Apr. 18, '05.

After two years of suffering from Bright's Disease, the last months being unable to work and finally unable to walk across the room, I entered the hospital on Feb. 22, 1904, for treatment, and was told my case was hopeless.

On Mar. 26, 1904, a friend brought me a bottle of Fulton's Renal Comp. for Bright's disease. I didn't believe it would do me any good, but tried it.

On Mar. 31, 1904, I left the hospital and walked home. The last week in April, 1904, I went back to work as 2d mate of the str. Claudine, running to Maui and Hawaii, and have worked steadily since then, not missing a day. Fulton's Renal Comp. not only cured me of Bright's Disease, but left me strong and healthy. My friends know my condition when I went to the hospital and what it is today.

W. B. HUDSON.

You can get our Compounds and our pamphlets of the Honolulu Drug Co.

Trade VERIBEST Mark CANNED MEATS

It will pay you to ask your grocer for VERIBEST canned goods, and insist upon getting this brand. They are wholesome, delicate in flavor and easy of preparation. Packed by Armour & Co.

Your Grocer Has Them.

GOING! GOING!! GONE!!!

The ORIGINAL remedy that "kills the Dandruff Germ." Dandruff is a contagious disease caused by a microbe. Chronic baldness is incurable, but the forerunners, dandruff, itching scalp and falling hair, can be cured by stopping the microbe growth with Newbro's Herpicide. It prevents reinfection. Money back if unsatisfactory. Delightful hair dressing. Stops itching of scalp instantly.

Newbro's Herpicide

Makes hair light and fluffy. Stops itching instantly. HOLLISTER DRUG CO., SPECIAL AGENTS. Applications at Prominent Barber Shops.

Golden Gate CEMENT.

You don't have to order European cement when you want a good cement. GOLDEN GATE CEMENT is made in California and is unrivalled for excellence. When you use it you are not only patronizing American industry but are getting the best cement obtainable. It comes packed in bags, four of which go to a barrel. Give it a trial and you will be more than satisfied with the result.

TAX DECISION

Judge Robinson yesterday handed down decision in the suit of Tax Assessor Holt vs. W. C. Achi, Kapilani, German Savings & Loan Society and Jas. F. Morgan to enforce a tax.

This was a suit in equity to enforce and foreclose tax liens for taxes levied and assessed to the respondent, W. C. Achi, upon the premises and property described in complainant's bill, for the years 1902 and 1903.

The court ordered that the demurrers be sustained without leave to amend, and the bill was dismissed.

CALMING THE COUNTRY

St. Petersburg, July 7.—The Government is seriously trying to calm the country by distributing everywhere copies of Prince Troubetzkoy's zemstvo address with the Emperor's response. A million copies have been printed and systematically spread by the Provincial Governors in the cities and in the country. Besides this the Emperor has personally commanded Count Ignatieff, who is the head of the toleration committee, to tour the country, address the people and pacify them in his name.

The Count made a speech at Elizabethtal today to a large assemblage, consisting of provincial functionaries, zemstovists, land owners and merchants. He urged the people to have confidence in the coming reforms; to co-operate with the authorities and not make the task of his Majesty more difficult.

"SAVE-THE-HORSE" SPAVIN CURE

It isn't words, it isn't type or page advertisements; it is the truths that ring out sound and clear and impressively—actual results like the following from business men whose standing and reliability can be readily ascertained, which have made "SAVE-THE-HORSE" such a success. Their cured horses are living advertisements, absolute certainties as to the possibility of the remedy for your own case, and with every bottle is a guarantee document as binding to protect you as the best legal talent can make it.

Charter Oak Park, Hartford, Conn., November 21, 1904.
Troy Chemical Co., Binghamton, N. Y.

Dear Sirs—I used "Save-the-Horse" on a very bad curb. It cured the lameness and removed a growth as large as a goose egg. The curb was sprung while training. I raced the horse all this fall, and it has never taken a lame step since I stopped the treatment with your remedy.
F. W. REYNOLDS.

Marion, Ohio, November 23, 1904.
Troy Chemical Co., Binghamton, N. Y.

Dear Sirs—My horse was kicked on the spavin joint by a horse in next stall, which caused an enlargement of considerable size. I used one bottle of "Save-the-Horse" and the hock is cleaned up so perfectly that you could not tell it was ever injured.
Reading, Pa., November 29, 1904.

Haverstraw, N. Y., November 22, 1904. My colt had two bone spavins. "Save-the-Horse" cured lameness and took off the bunnies. Used two bottles.
DR. J. J. KIERMAN, Secretary Haverstraw Driving Club.

Tontine Stables, 366 8th Ave., New York, November 29, 1904. I had a nine-year-old stallion lame over a year. He was not worth \$10. I used your "Save-the-Horse" and he has gone sound ever since. I have driven him 25 miles in one day and would not now take \$250 for the animal.
WILLIAM MILLER.

"Save-the-Horse" Permanently Cures Bone Spavins, Ringbone (except low Ringbone), Curb, Thoroughpin, Splint, Shoe, Boli, Wind Puff, Injured Tendons and all lamenesses without scar or loss of hair. Horse may work as usual.

TROY CHEMICAL CO., Binghamton, N. Y.
